

Change for Living (CFL)
Mental Health & Allied Professionals Network

**JOIN US TOGETHER
WE CAN GROW**

Who We Are

Change For Living (CFL) Mental Health & Allied Professionals Network is dedicated to building a community of small business mental health & allied professionals committed to supporting one another in the development of their businesses.

What To Expect

- An interdisciplinary network of independent mental health & allied professionals working together to increase our visibility and credibility and enhance and grow our businesses.
- A core of mental health & allied professionals networking to serve as vital referral sources for one another.
- Help for mental health professionals do their best practice, within or outside of managed care.
- A place for members to get updates on new or available resources by sharing across disciplines & businesses.
- An avenue for mental health professionals to share business practice concerns and discuss solutions, including clinical collaboration, mentoring and consultation.
- A minimum of monthly informational seminars for practice building, marketing and networking; a more informal networking meetings to enhance our connections with one another; a list serve; an on line announcement/event bulletin board; & a referral directory of network members so we can cross refer.

Who Should Join

- Independent private practice mental health professionals full or part-time or those who are taking the leap.
- Mental health & allied professionals looking to grow their businesses.
- Allied professionals who are small business owners.
- Those in good standing in their profession & in the community.
- Must be willing & able to share referrals with others in the network whenever possible, within the ethical guidelines of their disciplines.
